WHO YOU'RE BOOKING WITH...

I first picked up a makeup brush in 2014 and haven't looked back - I glammed up my very first wedding party when I was just 17. I've worked in cosmetic retail, on ad campaigns, photoshoots and with countless beautiful brides.

I'm passionate about making my clients feel the best they've ever felt. Whether that's natural makeup and undone waves, or full glitter glam and an elaborate updo - I'm here to uncover the best version of YOU. I believe makeup is for everyone and anyone. It's the secret weapon to reveal your true self!

Besides my passion for beauty, I pride myself on professionalism and efficiency. I want my brides to soak up every bit of their wedding day and leave the glam up to me.

-Brenna Paige

"Brenna is one of my favourite people ever! Not only is she an incredible person to work with, but she is amazing at what she does! She made me feel my most beautiful, and put me so at ease on our wedding day. My bridesmaids adored her and they looked beyond incredible too. Thank you for going above and beyond, Bren."
